FUTURURAL, the new Spazio Ricerca

will explore the relationship between people and the rural environment through *FUTURURAL*, the theme-title for this edition, and make a statement about the need for quality, genuine raw materials, and honest values in life and in esthetics. A new itinerary through the Fortezza with special areas dedicated to ideas and collections based on "country creativity" and a special layout edited by Alessandro Moradei, the designer Angelo Figus and knitwear expert Nicola Miller.

Official Partner of the Spazio Ricerca is New Holland Agriculture.

(A brand of CNH, which is part of the Fiat Industrial Group and since 1985 it is committed to providing the most efficient solutions in the area of cultivation and production through the use of accessible technology - offering the widest choice in the world of tractors, harvesting machinery, material handling - www.newholland.com, www.thecleanenergyleader.com).

FASHION AT WORK section of Pitti Filati always brings together Italian and foreign exhibitors engaged in consulting style, design and prototype points, shirt printing, knitting, buttons and small parts, accessories and trimmings, embroidery and applications, dyeing and finishing, notebooks trends and bureaux de style, color coding systems, software systems for the design or packaging.

With the special participation of Stylesight (www.stylesight.com), a leading provider of technology and global information for professionals in style, fashion and design.

REVERSED NUDITY

The **Dutch Fashion Foundation**, together with Pitti Immagine, is proud to present **Conny Groenewegen**, winner of the Mercedes-Benz Dutch Fashion Awards 2011 and winner of the International Incubator Award, as a special presence inside Pitti Filati 2012. The work exhibited is the continuation of Conny Groenewegen's interest in the combination of leather and hand knit.

Among the side events of this edition, **URBAN CRAFT** is a project dedicated to those who work in the fashion world and it aims to highlight the existence of an active group of contemporary craftsmen that with their laboratories keep alive the experience of manual skills and the cult of the research.

During the days of **PITTI FILATI**, at the coworking, 22A/22 Via della Mattonaia, three days dedicated to the exhibition of the achievements of some of the best urban artisans in Florence.
