

An architectural rendering of a public square. The square is paved and features several trees, including a large tree with reddish-brown leaves on the left and several smaller trees with green and pink blossoms in the center. People are shown sitting on low, rectangular concrete benches. In the background, there is a large, multi-story building with a light-colored facade and many windows, some of which are arched. A tall, dark obelisk stands on the right side of the square. The sky is clear and blue.
